

COMMITTEE FOR MINERAL RESERVES INTERNATIONAL REPORTING STANDARDS

WORKSHOP ON MODIFYING FACTORS

ULAANBAATAR, MONGOLIA

SATURDAY 18 OCTOBER, 2014.

CRIRSCO conducted a Workshop on Modifying Factors in association with its Annual Meeting. “Modifying Factors” is the defined term used in the CRIRSCO International Reporting Template to describe the essential considerations which must be made in the conversion of Mineral resources to Mineral Reserves. These include, but are not restricted to, mining, processing, metallurgical, infrastructure, economic, marketing, legal, environmental, social and governmental factors.

Over 40 people attended the Workshop and saw presentations from 11 speakers. The presentations may be accessed through a link on this page.
